heycoach

STUDY MATERIAL

Pre-read content for Backtracking:

1. Introduction to backtracking:

   Backtracking Algorithms

   N-Queen Problem

** Only for use by HeyCoach and their learners, sharing this without permission is an offense. (v1.0)

Practice problems:

1. Binary-watch - Leetcode
2. Sum-of-all-subset-xor-totals - Leetcode
3. Permutations - Leetcode

** Only for use by HeyCoach and their learners, sharing this without permission is an offense. (v1.0)

What can you expect to learn from the live session?

1. **Backtracking:** Theory and implementation.

** Only for use by HeyCoach and their learners, sharing this without permission is an offense. (v1.0)
